

AWARDS AND CURRENCY BREAKDOWN

The following are suggestions for awards and currency breakdown for a SIR Scramble Format Tournament.

The moneys used for a tournament prize fund is the amount after allocations have been subtracted, such as State, Division or Area funds. The balance remaining maybe used a suggested in the following.

1. If Closest-to-the Hole awards are used form the prize fund, those awards must be subtracted from the prize fund before the flight (A, B, C, D) allocations can be determined. Suggested Closest-to-the Hole awards can be found on SGC Fm#22, Rev. 5-99.
2. The number of places to be paid in each flight (A, B, C, D) is based on the size of the prize fund. Suggest in determining this number that between 20% and 30% of the field of players receive an award.
3. The following are percentages of amounts allocated for each flight. The dollar may have to be adjusted up or down to have the amounts no smaller than five-dollar increments, but not to exceed the allocated amount.
